

## LILY COTES DE PROVENCE ROSE 2016

### ORIGIN

The grapes are carefully selected and come from some of the very best vineyards of Cotes de Provence. All of the vines are located in the meridional/southern area of Cotes de Provence and cultivated under sustainable farming.

### GRAPES, VINIFICATION & AGING

Grenache, Cinsault, Syrah.

Harvest of the grapes at phenolic maturity. Crushing and total destemming. Alcoholic fermentation in thermoregulated stainless steel tanks at 16°C for perfect preservation of the aromas.

### TASTING NOTES

Tender and fruity rose wine with an airy lightness. The Cinsault makes a clear rose, lively with fine fruity flavors, balanced and fresh. The aromatic harmony of Cinsault and Grenache provides a fresh and round mouth with some notes of peach and candied orange.
